

American Lincoln Parts

American Lincoln Parts - Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the industry they are known within the business as providing durable and strong equipment that suits all the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln could provide machinery, parts and warranty service for these kinds of scrubbers that carry both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency make a difference. Recently, this particular floor scrubber model has been used by the architects in different construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on site because of the model's utmost performance level and high standard of quality for polishing concrete.
